

Probing Relativistic Gravity in the SKA Era workshop

Monday 28 January 2019

PTA for GWs detection: "Introduction to pulsar timing (GWs detection)" by George Hobbs (09:00-10:00)

PTA for GWs detection: "International Pulsar Timing Array (IPTA)" by Tim Pennucci (10:15-11:15)

PTA for GWs detection: "IPTA & SKA" by George Hobbs (11:30-12:30)

PTA for GWs detection: Pulsar timing using TEMPO2 to phase connect mock data (13:30-17:00)
