

# **Probing Relativistic Gravity in the SKA Era workshop**

## **Sunday 27 January 2019**

**Pulsar & GW: "Introduction to neutron star & pulsar" by Manjari Bagchi (09:00-10:00)**

**Pulsar & GW: "Introduction to Gravitational Waves (GWs), their detection and detectors" by Gopu (10:15-11:15)**

**Pulsar & GW: "Estimating GW properties" by Gopu (11:30-12:30)**

**Pulsar & GW: Working with pulsar data using PRESTO, PSRCHIVE and other pulsar softwares (13:30-17:00)**
